

CrossFit Fierce Spirit Cancellation Policy

1. Membership Billing

- Memberships are billed monthly, with payments automatically processed on the billing date.

2. Cancellation Notice

- To cancel your membership, you must submit your cancellation request via Go Team Up at least 10 days before your next billing date.
- Failure to provide the required notice will result in the next month's membership fee being charged.

3. Payment Responsibilities

- Cancelling your payment method (e.g., removing or deactivating your card) without officially cancelling your membership does not constitute cancellation. You will remain liable for any outstanding charges.

4. Yearly Memberships

- Yearly memberships are non-refundable, non-transferable, and cannot be paused under any circumstances.
